The following agreement is between _____, hereafter referred to as "Breeder" and _____, hereafter referred to as "Buyer" for the sale and purchase of one purebred dog of the FRENCH BULLDOG breed.

Will become the property of the Buyer in flesh as well as title upon the fulfillment of the following conditions:

Purchase price of \$ _____ paid by the Buyer to the Breeder. A deposit of \$ _____ been made on (date) _____/2020, and the puppy will be held until (date) _____/2020. At that time the balance of the purchase price \$ _____ must be paid in full in either a lump sum or through payments received **before** pickup date or the non-refundable deposit is forfeited and alternate arrangements will be made for the placement of the puppy.

Breeder guarantees that the above puppy is a purebred and is register-able with the AKC American Kennel club.

Breeders cannot guarantee adult size, color, hair coat, temperament or trainability of puppy.

It is further agreed by both parties that:

USE OF THE DOG

Buyer agrees that the dog is not purchased for resale nor will it be used or trained for activities which are illegal or for which it is not suited by reason of temperament or conformation. Specifically it will not be used as a guard or attack dog or to hunt or fight other animals.

The Buyer agrees that he/she will not sell, transfer ownership or possession of the puppy or any of his/her progeny to any person or organization whose intent it is to resell (pet store), trade, or give away the dog, or use it in any experiments, laboratory or otherwise or to use it as breeding stock for a puppy mill.

HEALTH AND HEALTH GUARANTEE

All precautions have been made to insure that this puppy is in excellent health at the time of purchase. Buyer needs to be aware that a puppy is a baby and that sometimes he/she may get sick due to stress or other related reasons. He/She is leaving our home and entering a new environment and stress related illnesses may occur. Breeder does not assume any liability for any injury, or neglect to this puppy after pickup. It is the Buyers responsibility to prevent illness and injury by providing necessary booster vaccinations, veterinary care, nutrition, fresh water, shelter and supervision. The breeder has made every effort to breed healthy dogs and has raised this puppy to the best of her ability.

It is required by the Breeder that the Buyer take the puppy to a Veterinarian of his/her choice and has five days from the date of delivery of the puppy in which to do so. If, within those five days, a veterinarian finds the puppy to be unsound, unhealthy, or possessing a serious genetic defect, a statement in writing must be provided by that veterinarian documenting said condition for Breeders' veterinarian to review. Upon confirmation from Breeders' vet of said condition, Buyer may return the puppy, registration and all of his/her effects to the Breeder and receive a full, immediate refund of the purchase price.

REGISTRATION

The Buyer agrees to register the puppy with AKC - American Kennel club **within 60 days** of receiving the AKC - American Kennel club registration papers via mail or online and that this transfer will be recorded in the name of the party listed on this contract. The buyer also agrees that this puppy will not be registered with any other registration service other than the AKC - American Kennel club.

OWNERSHIP RESPONSIBILITIES

The Buyer agrees to maintain the puppy in a humane environment and properly train and care (quality food, water, shelter and veterinary care) for the **entire life** of the dog. Specifically, the dog will be properly licensed and inoculated against rabies, distemper, parvovirus, and other

communicable diseases as recommended by a qualified veterinarian. The dog will not be allowed to roam or stay as an outside dog 100% of the time, and will be socialized and obedience trained appropriately.

The Buyer agrees that this puppy will not be raised on slippery surfaces, not be allowed to jump up and down stairs, rough-house with larger dogs, jump down from heights or out of cars, etc., as this type of activity will contribute to the breakdown of joints and growing bones, dislocation of shoulders, hips and damaged elbows.

The Buyer further agrees that the puppy's weight will be under strict supervision until the dog reaches his/her second birthday. It is better to have the dog slightly underweight than overweight as excess weight contributes to structural breakdown of the dog. Buyer also agrees nothing will be given to the dog that would encourage rapid growth including steroids, nutritional supplements and anything that promotes rapid weight gain.

VIOLATION OF CONTACT

Violations of the terms of this contract renders all guarantees stipulated in this contract to be null and void. In the event this contract and the parties involved have to be taken to court Buyer is responsible for all court costs.

This contract is designed to protect the FRENCH BULLDOG, the Breeder, and the Buyer of said FRENCH BULLDOG. By signing, all parties agree to all clauses of this contract.
